REMARKS

The interview with examiner Reginald Alexander on January 25, 2007 is acknowledged with appreciation. The examiner's interview summary is accurate as to what transpired at the interview.

Claims 25-37 are rejected under 35 U.S.C. 112 as indefinite. The rejection is based on the indefiniteness in claim 25. Claim 25 is canceled.

Claim 22 is rejected under 35 U.S.C. 102 as anticipated by Webster. As discussed at the interview, claim 22 is amended to clarify a void in the dispensing area defined above and between the extension and the overhanging portion. As discussed, Webster there is no such void above the dispensing area. Reconsideration of the rejection is requested.

Claims 31-33 are rejected under 35 U.S.C. 103 as obvious over Webster in view of Roberts. Claims 31-33 have been amended to by adding the void above and between the extension and the overhanging portion. As noted above this is not taught by Webster. Roberts does not make up for this deficiency in Webster. Reconsideration of the rejection is requested.
Claims 3-14, 17-21, 24, 27 and 29 are allowed. Claims 1-2, 15-16, 23, 25-26, 28, 30 and 34-37 remain canceled without prejudice and reserving the right to pursue these claims in a subsequent application.

In view of the above, it is submitted that all of the claims (Nos. 3-14, 17-22, 24, 27, 29 and 31-33) are in condition for allowance and such action is, respectfully, requested.

If there is any issue remaining to be resolved, the examiner is invited to telephone the undersigned so that resolution can be promptly effected.
